The logo for the 12th International Workshop on Tau Leptons (TAU 2012) is a black square. It features a white stylized starburst or snowflake-like pattern in the center, composed of multiple lines radiating from a central point. In the top right corner of the square is a small white globe icon. At the bottom of the square, the word "TAU" is written in a large, bold, white sans-serif font, with "2012" written in a smaller font directly below it.
